

David M. Amodio
Curriculum Vitae

Department of Psychology and
Center for Neural Science
New York University
6 Washington Place
New York, NY 10003

Phone: (212) 998-3875
Fax: (212) 995-4966
Email: david.amodio@nyu.edu

Academic Appointments

2011-present Associate Professor of Psychology and Neural Science, New York University
2005-2011 Assistant Professor, Department of Psychology, New York University
2010-2011 Assistant Professor, Center for Neural Science, New York University

Education and Training

2003-2005 Postdoctoral Fellow, University of California, Los Angeles
National Institute of Mental Health Training Program in Health Psychology
Sponsors: Dr. Shelley E. Taylor and Dr. Matthew D. Lieberman

1996-2003 Ph.D., Social Psychology, University of Wisconsin – Madison
Neural signals for the detection of race bias: Implications for regulatory ability
Advisors: Dr. Patricia G. Devine and Dr. Eddie Harmon-Jones

1998-2000 Predoctoral Fellow, University of Wisconsin-Madison
National Institute of Mental Health Training Program in Emotion Research
Dr. Richard J. Davidson and Dr. H. Hill Goldsmith, Directors

1992-1996 B.A., Psychology, Music, Macalester College, St. Paul, MN

Awards, Fellowships, and Honors (Selected)

2012 F. J. McGuigan Early Career Investigator Prize, *American Psychological Foundation*
2012 Elected Fellow, *Association for Psychological Science*
2010 Presidential Early Career Award for Scientists and Engineers (PECASE),
Office of Science and Technology Policy, The White House
2010 Janet T. Spence Award for Transformative Early Career Contributions,
Association for Psychological Science
2010 Early Career Award for Social Cognition, *International Social Cognition Network*
2010 Distinguished Visiting Scholar, *Columbia University School of Social Work*
2009 Faculty Early Career Development Award (CAREER), *National Science Foundation*
2009 SAGE Young Scholars Award, *Foundation for Personality and Social Psychology*
2008 Elected Fellow, *Society for Experimental Social Psychology*
2006 Gordon Allport Intergroup Relations Prize, Honorable mention, *SPSSI*
2004 Dissertation Award (First Prize), *Society for the Psychological Study of Social Issues*
2003 Tursky Award, *Society of Psychophysiological Research*
2003-2005 NIMH Postdoctoral Fellowship, Training Program in Health Psychology

- 2002 Dr. Christine Dunkel Schetter, Director, University of California, Los Angeles
Dissertation Research Award, *American Psychological Association*
- 2001-2002 Dissertation Fellowship, The Graduate School, University of Wisconsin – Madison
- 2000 Leonard Berkowitz Dissertation Research Award
- 1998-2000 NIMH Predoctoral Fellowship, Training Program in Emotion Research
Dr. Richard J. Davidson and Dr. H. Hill Goldsmith, Directors, University of Wisconsin

Funding

- 2012-2014 F. J. McGuigan Grant, American Psychological Foundation (\$25,000)
- 2009-2114 National Science Foundation, *CAREER: Testing a Memory-Systems Model of the Expression and Reduction of Racial Prejudice: A Plan for Research and Training in Social Cognitive Neuroscience* (PI; \$833,965)
- 2007-2008 University Research Challenge Fund, NYU: *From race discrimination to health disparities: Testing a psychoneuroendocrine pathway* (PI; \$9,250)

Professional Service

- 2011-present Associate Editor, *Journal of Personality and Social Psychology: Attitudes and Social Cognition*

Editorial boards:

- 2005-present *Social Cognitive and Affective Neuroscience*
- 2006-present *Social Cognition*
- 2007-present *Social Neuroscience*
- 2008-present *European Review of Social Psychology*
- 2008-2011 *Frontiers in Neuroscience*
- 2009-present *Journal of Personality and Social Psychology*
- 2009-present *Social Psychological and Personality Science*

Ad hoc reviewer:

Basic and Applied Social Psychology; Biological Psychology; Cerebral Cortex; Cognitive, Affective, and Behavioral Neuroscience; Cultural Psychology; Current Biology; Emotion; European Journal of Social Psychology; Frontiers in Neuroscience; Health Psychology; Human Brain Mapping; InMind Magazine; Journal of Applied Social Psychology; Journal of Cognitive Neuroscience; Journal of Experimental Social Psychology; Journal of Experimental Psychology: General; Journal of Personality; Journal of Personality and Social Psychology; Journal of Social and Clinical Psychology; Journal of Social and Personal Relationships; National Cancer Institute; National Science Foundation; Nature Neuroscience; Neuropsychologia; Neuroscience Letters; NeuroImage; Personality and Social Psychology Bulletin; Proceedings of the New York Academy of Sciences; Psychological Science; Psychophysiology; Public Opinion Quarterly; Science; Social Cognitive and Affective Neuroscience; Social Cognition; Social Neuroscience; Social and Personality Psychology Compass; Social Psychology and Personality Science; Trends in Cognitive Science

Committee Service in Professional Societies:

- 2010-present Advisory Board, *Society for Social Neuroscience*

2007-2012 Executive Committee, *Social and Affective Neuroscience Society*
2008-2009 Program Chair, *Social and Affective Neuroscience Society*
2003-2012 Program Committee, *Society for Psychophysiological Research*
2009-2010 Program Committee, *Society for Personality and Social Psychology*
2008-2010 Public Relations Committee, *Society for Psychophysiological Research*
2012 Secretary, *Social & Affective Neuroscience Society*
2003-2004 Tursky Award Committee, *Society for Psychophysiological Research*

Professional Affiliations:

American Psychological Association
Association for Psychological Science
Cognitive Neuroscience Society
New York Academy of Sciences
Social and Affective Neuroscience Society
Society for Experimental Social Psychology
Society for Personality and Social Psychology
Society for Psychophysiological Research
Society for the Psychological Study of Social Issues
Society for Social Neuroscience

Chaired Conferences

Social and Affective Neuroscience Society Annual Meeting (October 9-11, 2009), New York, NY.
Conference organizer and program chair.

Chaired Symposia

The Psychophysiology of Social Perception. (Septmeber, 2012). Symposium held at the 52nd annual meeting for the *Society for Psychophysiological Research*, New Orleans, LA.

The social brain: Perception and regulation in interpersonal and intergroup context. Symposium held at the 51st annual meeting for the *Society for Psychophysiological Research*, Boston, MA. (co-chaired with Bruce Bartholow).

Emotion regulation and self-control: Basic psychobiological mechanisms and applications to public health. (January, 2010). Symposium held at the 11th annual meeting of the *Society for Personality and Social Psychology*, Las Vegas, NV. (co-chaired with Paige McDonald)

Hormones as mechanisms of self-regulation: Steroid effects on motivated attention and behavior. (October, 2009). Symposium held at the 49th annual meeting for the *Society for Psychophysiological Research*, Berlin, Germany. (co-chaired with Karin Roelofs).

Self-regulation of intergroup responses: Mechanisms of the mind and body. (February, 2008). Symposium held at the 9th annual meeting of the *Society for Personality and Social Psychology*, Albuquerque, NM.

Physiological mechanisms of self-regulation. (October, 2006). Symposium held at the 46th annual meeting for the *Society for Psychophysiological Research*, Vancouver, Canada.

Conference Presentations (since 2008)

Krosch, A. K., & Amodio, D. M. (September, 2012). Stereotypes facilitate the visual processing of Black faces: Evidence from the visual N170. Paper presented at the 52nd annual meeting for the *Society for Psychophysiological Research*, New Orleans, LA.

Amodio, D. M. (June, 2012). Intergroup anxiety effects on perception, implicit bias, and control: Neural mechanisms and implications for behavior. Talk at the Small Group Meeting on Extreme Emotions, Amsterdam, NL.

Gilbert, S. J., Swencionis, J. K., & Amodio, D. M. (April, 2012). Evaluative vs. trait representation in intergroup social judgments: Distinct roles of anterior temporal lobe and prefrontal cortex. Poster presented at the 4th annual meeting of the *Social & Affective Neuroscience Society*.

Amodio, D. M. (November, 2011). The egalitarian brain: Neural mechanisms for the regulation of prejudice. Talk at the *Belgian Royal Society Symposium on Social Neuroscience*, Brussels, Belgium.

Amodio, D. M. (October, 2011). Proactive control of implicit racial bias. Paper presented at the annual meeting for the *Society for Experimental Social Psychology*, Washington, DC.

Amodio, D. M. (September, 2011). Situation-based social anxiety effects on the processing of ingroup vs. outgroup faces: An N170 study. Paper presented at the 51st annual meeting for the *Society for Psychophysiological Research*, Boston, MA.

Amodio, D. M. (July, 2011). *Automaticity and Control in Intergroup Bias: Insights from Social Neuroscience*. Paper presented at the Royal Netherlands Academy of Arts and Sciences symposium on "The Nature of Prejudice: A Neuroscience Perspective," Amsterdam, The Netherlands.

Amodio, D. M. (January, 2011). *Automaticity and Control in Social Behavior: Insights From Social Neuroscience*. ISCON Early Career Award Address, presented at the Social Cognition Preconference at the 12th annual meeting of the Society for Personality and Social Psychology, San Antonio, TX.

Ratner, K. G., Dotsch, R., Wigboldus, D. H. J., van Knippenberg, A., & Amodio, D. M. (January, 2011). *Ingroup favoritism in the mind's eye: Visual representation of faces following minimal group assignment*. Poster presented at the 12th annual meeting of the Society for Personality and Social Psychology, San Antonio, TX.

Halim, M. L., Yoshikawa, H., & Amodio, D. M. (January, 2011). *Inherited Effects of Discrimination: Perceived Discrimination Among Immigrant Mothers is Associated with Their Child's Health*. Poster presented at the 12th annual meeting of the Society for Personality and Social Psychology, San Antonio, TX.

Koot, C., & Amodio, D. M. (January, 2011). *Awareness of one's own implicit bias may have negative effect on attitudes toward diversity*. Poster presented at the 12th annual meeting of the Society for Personality and Social Psychology, San Antonio, TX.

Krosch, A. R., Tyler, T. R., & Amodio, D. M. (January, 2011). *The effect of scarcity on the allocation of resources to racial ingroup vs. outgroup members*. Poster presented at the 12th annual meeting of the Society for Personality and Social Psychology, San Antonio, TX.

Swencionis, J. K., & Amodio, D. M. (January, 2011). *Fluency moderates the expression of automatic racial bias*. Poster presented at the 12th annual meeting of the Society for Personality and Social Psychology, San Antonio, TX.

Harmon-Jones, E., Harmon-Jones, C., & Amodio, D. M. (January, 2011). *Anger as approach: New evidence*. Talk presented at the 12th annual meeting of the Society for Personality and Social Psychology, San Antonio, TX.

Amodio, D. M. (November, 2010). *What's being controlled? Clues from the frontal cortex*. Paper presented at the 1st annual meeting of the Society for Social Neuroscience, San Diego, CA.

Amodio, D. M. (October, 2010). *Psychophysiology in 2060: Mad Max or Return of the Jedi?* Paper presented at the annual meeting for the Society for Psychophysiological Research, Portland, OR.

Amodio, D. M. (July, 2010). *Social Cognition and Emotion Workshop on methodological approaches*. Presented at the Cold Spring Harbor Laboratory's Workshop on the Biology of Social Cognition, Cold Spring Harbor, NY.

Amodio, D. M. (May, 2010). *Proactive control: How goals tune perception to regulate intergroup responses*. Paper presented at the 3rd annual meeting of the meeting of the Society for the Study of Motivation, Boston, MA.

Amodio, D. M. (April, 2010). *What's being controlled in "prejudice control"?* Keynote talk presented at the Annual Four College Conference, New York, NY.

- Amodio, D. M. (January, 2010). *Effects of discrimination-related stress on biological health and self-regulation: Implications for racial disparities in cancer*. Paper presented at the 10th annual meeting of the Society for Personality and Social Psychology, Las Vegas, NV.
- Ratner, K. G., & Amodio, D. M. (January, 2010). *N170 responses to faces predict implicit ingroup favoritism: Evidence from a minimal group study*. Poster presented at the 11th annual meeting of the Society for Personality and Social Psychology, Las Vegas, NV.
- Ofan, R. H., Rubin, N., & Amodio, D. M. (January, 2010). *Top-Down Influences on Early Visual Processing of Different Race Faces*. Poster presented at the 11th annual meeting of the Society for Personality and Social Psychology, Las Vegas, NV.
- Halim, M. L., Aronson, J., & Amodio, D. M. (January, 2010). *Stereotype threat effects on African Americans' implicit academic self-concepts*. Poster presented at the 11th annual meeting of the Society for Personality and Social Psychology, Las Vegas, NV.
- Brooke, J. K., & Amodio, D. M. (January, 2010). *Does engaging in the control of intergroup responses enhance egalitarian motivations?* Poster presented at the 11th annual meeting of the Society for Personality and Social Psychology, Las Vegas, NV.
- Amodio, D. M. (October, 2009). *Hormones as mechanisms of self-regulation?* Paper presented at the annual meeting for the Society for Psychophysiological Research, Berlin, Germany.
- Amodio, D. M. (October, 2009). *What's being controlled in "prejudice control"?: Effects of motivation on race perception and behavior*. Paper presented at the annual meeting for the Society of Experimental Social Psychology, Portland, ME.
- Amodio, D. M. (October, 2009). *Proactive control: How goals tune perception to regulate action*. Paper presented at the Person Memory Interest Group meeting, Spruce Point, ME.
- Renana H. Ofan, Nava Rubin, & David M. Amodio. (October, 2009). *Top-Down Influences on Early Visual Processing of Different Race Faces*. Poster presented at the annual meeting for the Society for Neuroscience, Chicago, IL.
- Amodio, D. M. (September, 2009). *The Neuroscience of Stereotyping and Prejudice*. Paper presented at the Inclusive Leadership, Stereotyping and the Brain Conference, Columbia University, New York, NY.
- Amodio, D. M. (2009, June). *What's being controlled?* Paper presented at the Duck conference, Corolla, NC.
- Amodio, D. M. (2009, April). *Motivated control of intergroup responses: Effects on perception and action*. Paper presented at Advances in Motivation Science: Self-Control Research & Interventions conference at Columbia University, New York, NY.
- Harmon-Jones, E., Amodio, D. M., & Harmon-Jones, C. (2009, March). *An action-based model of cognitive dissonance: On cognitive conflict and attitude change*. 12th Annual Sydney

Symposium of Social Psychology: Attitudes and Attitude Change. Sydney, New South Wales, Australia.

Amodio, D. M. (February, 2009). *On the brain of the motivated perceiver: Action control through motivated attention to race*. Paper presented at the 10th annual meeting of the Society for Personality and Social Psychology, Tampa, FL.

Amodio, D. M. (February, 2009). *Intergroup emotion effects on stereotyping vs. evaluative race bias*. Paper presented at the Emotion Preconference at the 10th annual meeting of the Society for Personality and Social Psychology, Tampa, FL.

Mendoza, S. M., & Amodio, D. M. (February, 2009). *For members only: Altruistic punishment in intergroup interactions*. Poster presented at the 10th annual meeting of the Society for Personality and Social Psychology, Tampa, FL.

Ratner, K. G., & Amodio, D. M. (February, 2009). *Rapid differentiation of novel ingroup vs. outgroup members revealed by event-related potentials*. Poster presented at the 10th annual meeting of the Society for Personality and Social Psychology, Tampa, FL.

Brooke, J., & Amodio, D. M. (February, 2009). *Does the control of intergroup responses enhance subsequent race bias? A test of competing hypotheses*. Poster presented at the 10th annual meeting of the Society for Personality and Social Psychology, Tampa, FL.

Amodio, D. M. (November, 2008). *Regulating the self in the social world: Social factors and neural mechanisms*. Keynote address at the International Conferences on Multilevel Approaches and Social Neuroscience, Diego Portales University, Santiago, Chile.

Amodio, D.M. (October, 2008). *Intergroup anxiety effects on the control of stereotyping behavior: A Neuroendocrine Analysis*. Paper presented at the Annual Meeting of the Society for Experimental Social Psychology, Sacramento, CA.

Amodio, D.M., & Jost, J. T. (October, 2008). *Political Neuroscience: Implications of Neural Function for Theories of Ideology*. Paper presented at the Annual Meeting of the Society for Experimental Social Psychology, Sacramento, CA.

Amodio, D. M. (October, 2008). *Regulating the self in the social world: Social factors and neural mechanisms*. Keynote address at the ASPO Fall Symposium on "Social Neuroscience," Radboud University, Nijmegen, The Netherlands.

Amodio, D.M., & Potanina, P. V. (October, 2008). *Motivated Attention to Race: Frontal asymmetry effects on the P200 and response control*. Paper presented at the Annual Meeting of the Society for Psychophysiological Research, Austin, TX.

Ratner, K. G., Bahadur, K. A., & Amodio, D. M. (October, 2008). *Rapid differentiation of novel ingroup vs. outgroup members revealed by event-related potentials*. Poster presented at the Annual Meeting of the Society for Psychophysiological Research, Austin, TX.

Amodio, D.M. (September 17, 2008). *Red Brains, Blue Brains?: Neuroscience and the political mind*. Paper presented at the New York Academy of Sciences/New York University panel on "The Neuroscience of Elections and Human Decision Making," New York, NY.

Amodio, D. M. (June, 2008). *The Social Neuroscience Approach: Implications for Cancer Control*. Basic and Biobehavioral Research Branch, National Cancer Institute, Bethesda, MD.

Amodio, D. M., & Potanina, P. V. (June, 2008). *Role of the medial frontal cortex in the regulation of social responses*. Paper presented at the 1st meeting of the Social & Affective Neuroscience Society, Boston, MA.

Tyler, T., & Amodio, D. M. (April, 2008). *Psychology and economics: Areas of convergence and difference*. Conference on the Method of Modern Experimental Economics, New York, NY.

Amodio, D. M. (February, 2008). *Intergroup Anxiety Effects on the Regulation of Implicit Bias: A Neuroendocrine Mechanism?* Paper presented at the 9th annual meeting of the Society for Personality and Social Psychology, Albuquerque, NM.

Potanina V. P., Amodio D. M. (February, 2008). *Dissociation of implicit evaluation and stereotyping: fMRI evidence for independent neural substrates*. Paper presented at the 9th annual meeting of the Society for Personality and Social Psychology, Albuquerque, NM.

Mendoza, S. A., & Amodio, D. M. (February, 2008). *Neural mechanisms underlying implementation intentions to respond without prejudice*. Poster presented at the 9th annual meeting of the Society for Personality and Social Psychology, Albuquerque, NM.

Ratner, K. G. & Amodio, D. M. (February, 2008). *Correspondence between implicit and explicit measures of stereotyping and evaluation*. Poster presented at the 9th annual meeting of the Society for Personality and Social Psychology, Albuquerque, NM.

Amodio, D. M. (February, 2008). *Unpacking Mechanisms of Self-regulation with Clues from the Brain*. Paper presented at the SPSP Training Committee Preconference on Social Neuroscience, at the 9th annual meeting of the Society for Personality and Social Psychology, Albuquerque, NM.

Amodio, D. M. (February, 2008). *Beyond connectionism: A neuroscience account of affect in attitudes*. Paper presented at the Attitudes Preconference at the 9th annual meeting of the Society for Personality and Social Psychology, Albuquerque, NM.

Invited Talks and workshops

- 2012 Basic and Biobehavioral Research Branch, National Cancer Institute (February 16)
University of Geneva, Workshop on Social Neuroscience (May 30-June 1)
Swiss Center for Affective Sciences, University of Geneva (June 4)
Kurt Lewin Institute Workshop on Social Neuroscience, Leiden University, NL (June 7-8)
Columbia University, Department of Psychology (September 17)
- 2011 University of Western Ontario, Department of Psychology (April 29)
University of Chicago, Booth School of Business (May 16)
Workshop on Social Neuroscience, Belgian National Academy, Ghent, Belgium (Nov 14-18)

- 2010 Princeton University, Department of Psychology (December 8)
 Columbia University, School of Social Work (November 3)
 University of Delaware, Department of Psychology (Department Colloquium; October 20)
 University of Delaware, Department of Psychology (Social Brownbag; October 20)
 University of Indiana, Department of Psychology (October 15)
 University College London, Institute for Cognitive Neuroscience (September 17)
 Cardiff University, Department of Psychology (September 16)
 University of Kent, Department of Psychology (September 15)
 University of Amsterdam, Department of Psychology (September 9)
 Dartmouth College, Department of Psychology (May 20)
 Biology of Social Cognition Workshop, Cold Spring Harbor Laboratory (July 15)
- 2009 Expert Workshop in Social Neuroscience, Free University, Amsterdam (January 19-23)
 New York University, Cognition & Perception Area, Psychology (February 26)
 Queens College, Department of Psychology (April 27)
 Expert Workshop in Social Neuroscience, Free University, Amsterdam (August 30-Sept 4)
 University of Würzburg, Clinical and Biological Psychology group (October 26)
 University of Würzburg, Social Psychology group (October 27)
 New York University, Center for Brain Imaging (November 6)
 Columbia University, Department of Psychology (November 9)
 University of Pittsburgh, Department of Psychology (November 20)
 Princeton University, Department of Psychology (December 1)
 Brooklyn College, SUNY, Department of Psychology (December 16)
- 2008 Diego Portales University of Santiago, Chile, Dept. of Psychology (November 12)
 Radboud University Nijmegen, Department of Psychology (October 10)
 New York University, Social Area, Department of Psychology (September 23)
 University of Konstanz, Department of Psychology (June 18)
 University of Zurich, Institute for Empirical Research in Economics (June 12)
 Cognitive Neuroscience Section, NINDS, NIH (May 12)
 NYU Center for Research on Culture, Development, and Education (April 23)
 Stanford University, Graduate School of Business, Marketing (April 9)
 University of Toronto, Department of Psychology (April 1)
 York University, Toronto, Department of Psychology (March 31)
 Northern Illinois University, Psychology Annual Colloquium (March 20)
 Texas A & M University, Faculty of neuroscience Seminar Series (February 28)
 Yale University, Department of Psychology (January 14)
- 2007 Columbia University, Department of Psychology (December 3)
 Harvard University, Department of Psychology (November 6)
 Expert Workshop in Social Neuroscience, Free University, Amsterdam (November 19-23)
 New York University, Department of Applied Psychology (October 31)
 The New School for Social Research, Department of Psychology (October 3)
 New York University, Cognition & Perception Student's Brownbag (April 13)
 Sackler Institute, Medical College of Cornell University (April 5, 2007)
 University of Connecticut, Department of Psychology (March 21, 2007)
- 2006 North Dakota State University, Psychology Department Colloquium (September 8)
 Columbia University Department of Psychology (February 28)
- 2005 University of Massachusetts at Amherst Department of Psychology, (November 4)
 New York University Department of Psychology (October 11)
 Princeton University, Department of Psychology (September 19)
- 2004 New York University, Department of Psychology (December 16)

Penn State University, Department of Psychology (December 14)
Ohio State University, Department of Psychology (December 9)
University of Kansas, Department of Psychology (December 6)
Rutgers University, Department of Psychology (December 2)
University of Iowa, Department of Psychology (November 29)
Northwestern University, Department of Psychology (November 18)
University of Washington, Department of Psychology (November 15)
University of California, Los Angeles, Human Brain Mapping Center (November 3)
Free University, Amsterdam Department of Psychology (October 29)
University of California, San Diego Department of Psychology (October 6)
UCLA Cognitive Psychology Colloquium, Department of Psychology (February 13)
UCLA Intergroup group, Department of Psychology (February 13)

Advisee's Awards and Honors

2012 Stuart Cook Award, New York University, to Kyle Ratner
2012 Douglass Fryer Dissertation Award, New York University, to Kyle Ratner
2011 NSF Graduate Research Fellowship to Amy Krosch
2011 NYU Dean's Dissertation Fellowship, to Kyle Ratner
2011 NYU Dean's Dissertation Fellowship, to May Ling Halim
2011 SPSP Diversity Fund Award, to Amy Krosch
2010 Training Award Fellowship, *Society of Psychophysiological Research*, to Kyle Ratner
2010 Stewart Cook Award for Research Excellence, NYU, to Saaid Mendoza
2010 Douglass Fryer Dissertation Award, New York University, to Saaid Mendoza
2010 Katzell Research Award, New York University, to Kyle Ratner
2010 NSF Graduate Research Fellowship, honorable mention, to Amy Krosch
2010 SPSP Poster Award, Runner-up, for Kyle Ratner
2009 SPSP Diversity Fund Award, to May Ling Halim
2008 NSF Graduate Research Fellowship to Jennifer Brooke
2008 NSF Graduate Research Fellowship to Kyle Ratner
2006 NSF Graduate Research Fellowship, honorable mention, to Polina Potanina

Ph.D. Thesis Committees

Saaid Mendoza (chair), Gaëlle Pierre (co-chair), Kentaru Fujita (reader), Jojanekke van der Toorn (reader), Christopher Burke (reader), Adil Saribay (reader), Aaron Hoffman (reader), Amie Green (reader)

Teaching (at New York University)

2005-2007 Introduction to Psychology
2008, 2011 Prejudice and Stereotyping (doctoral seminar)
2011 Prejudice and Stereotyping (undergraduate)
2010 Social Neuroscience (undergraduate seminar)
2007, 2010 Social Neuroscience (doctoral seminar)
2008 Social Psychology
